

The premier technology M&A practice in the nation.

- In recent years, the firm has completed more than \$200 billion in transactions
- We handled one of the largest Internet deals ever —VeriSign’s \$21B acquisition of Network Solutions
- We handled one of the largest software mergers ever—Symantec’s \$13.5B acquisition of VERITAS—also the largest tech merger of 2004
- We handled one of the most important strategic mergers of software companies in 2005—Macromedia’s \$3.4B merger with Adobe Systems
- We routinely represent leading serial acquirers, including Cisco Systems in its \$6.9B acquisition of Scientific-Atlanta, and more than 65 other transactions in recent years
- Our focus on technology earned us the #1 rank for technology sector M&A by *MergerMarket* and consistently places us as one of the top 25 M&A practices overall in the United States

21 acquisitions in 2010 valued in excess of \$1.5 billion.
